

3-POINT SERIES | HITCH SPREADERS

3-POINT HITCH SERIES

HITCH SPREADERS
FERTILIZER & LIME

NEWTON
CROUCH

IT'S TIME TO GET HITCHED.

Newton Crouch's newest model can get you spreading in a hurry. Our heavy duty 3-point hitch spreader with a chain conveyor gives you the dependability of a larger spreader in a small package. This versatile spreader allows for all season spreading of fertilizer or lime and can be used to broadcast while tilling.
