SELF PROPELLED SPREADERS

FERTILIZER & LIME

NEWTON
CROUCH

APPLY WITH PRECISION **EVERY TIME**

Designed to fit a variety of chassis, including standard, semi-float, or full-float trucks as well as high clearance units, Newton Crouch offers the perfect solution to equip any chassis for efficient spreading. Whether you need to spoon-feed nitrogen, sow cover crop, or spread lime, our truck mounted series provides combo units that cover a variety of spreading needs within one spreader.

“**Newton Crouch spreaders** consistently give me a more **accurate** application, and with my acreage, that **saves me** both time and money.”

— JIM MCARTHER —
FIELD ROWS | MALONE, FLORIDA

HIGH QUALITY SPREADERS. **BUILT YOUR WAY.**

STANDARD

FULL FLOAT

SELF-PROPELLED

Since the 1940s, manufacturing precise and easy-to-use applicators has been our passion.
